# STUDENT LIFE

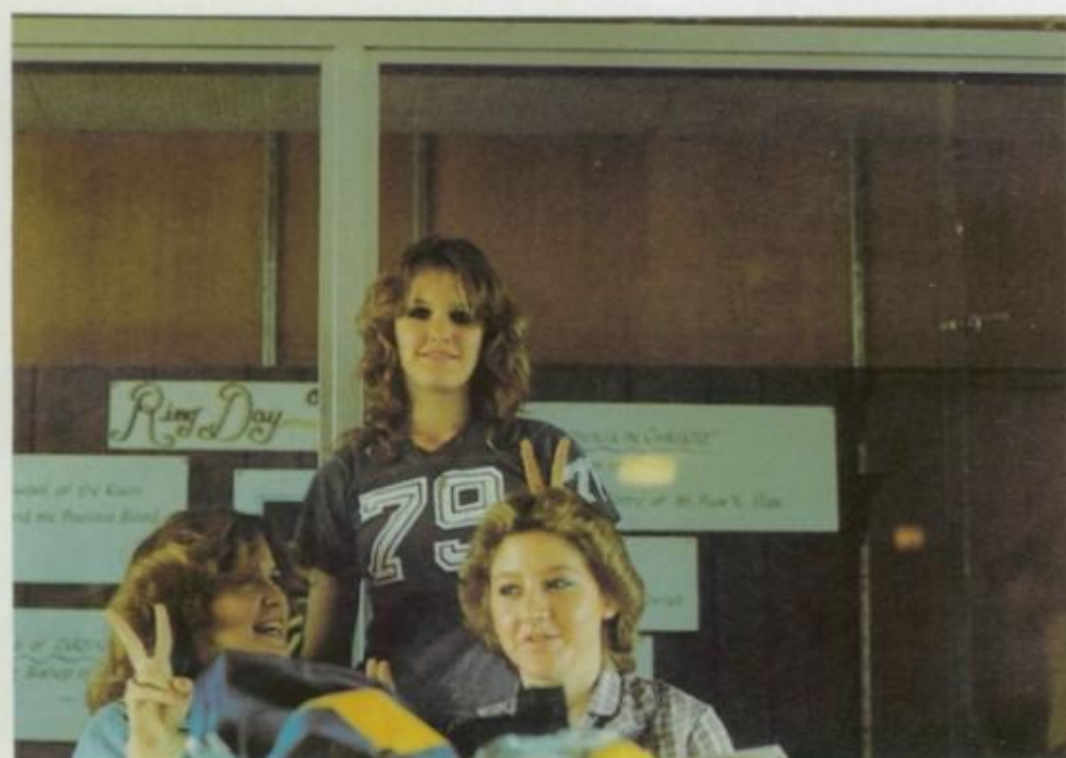

As the years pass quickly, we are able to calculate the differences between the past and present and even imagine what the future will hold for each of us. It is easy to become enveloped by school work, but there will always be time for those special moments with our classmates that will remain with us throughout our entire life.

# The Good Friends

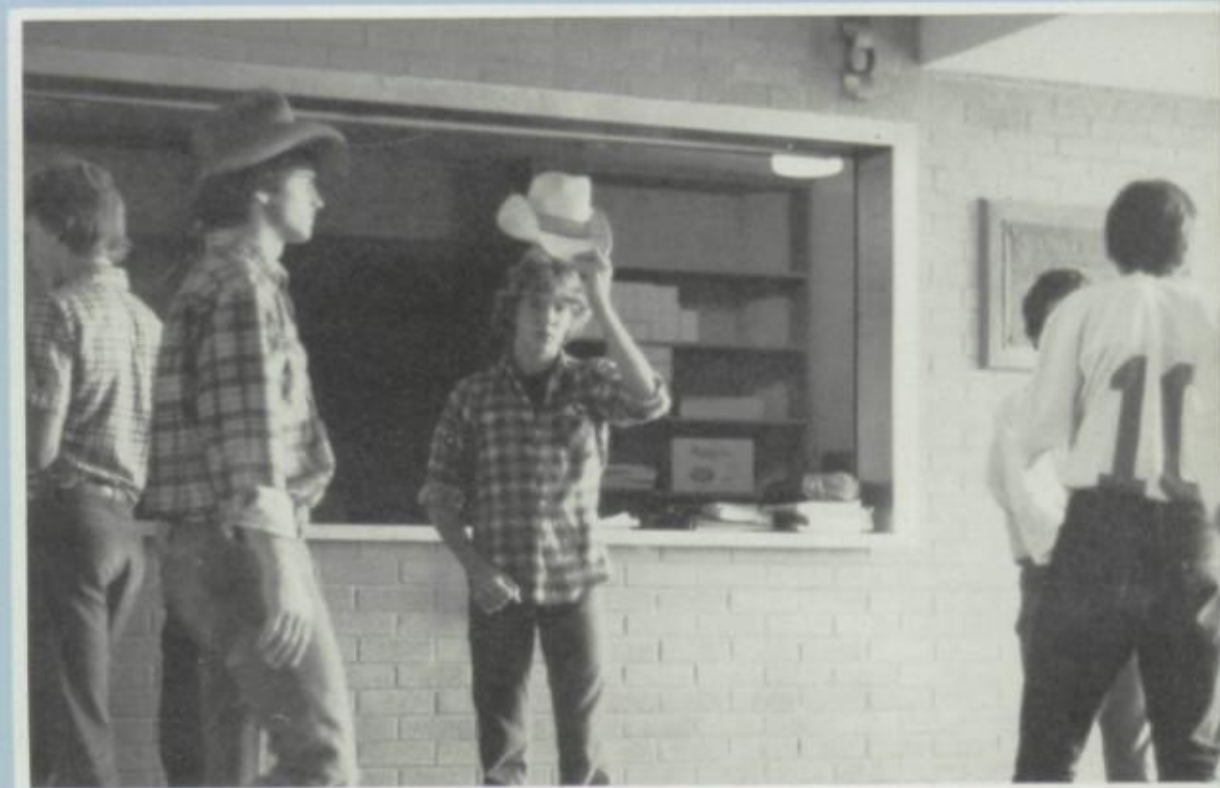

A friend is a person with whom you may be sincere. Before him, you may think aloud.

# The Special Moments

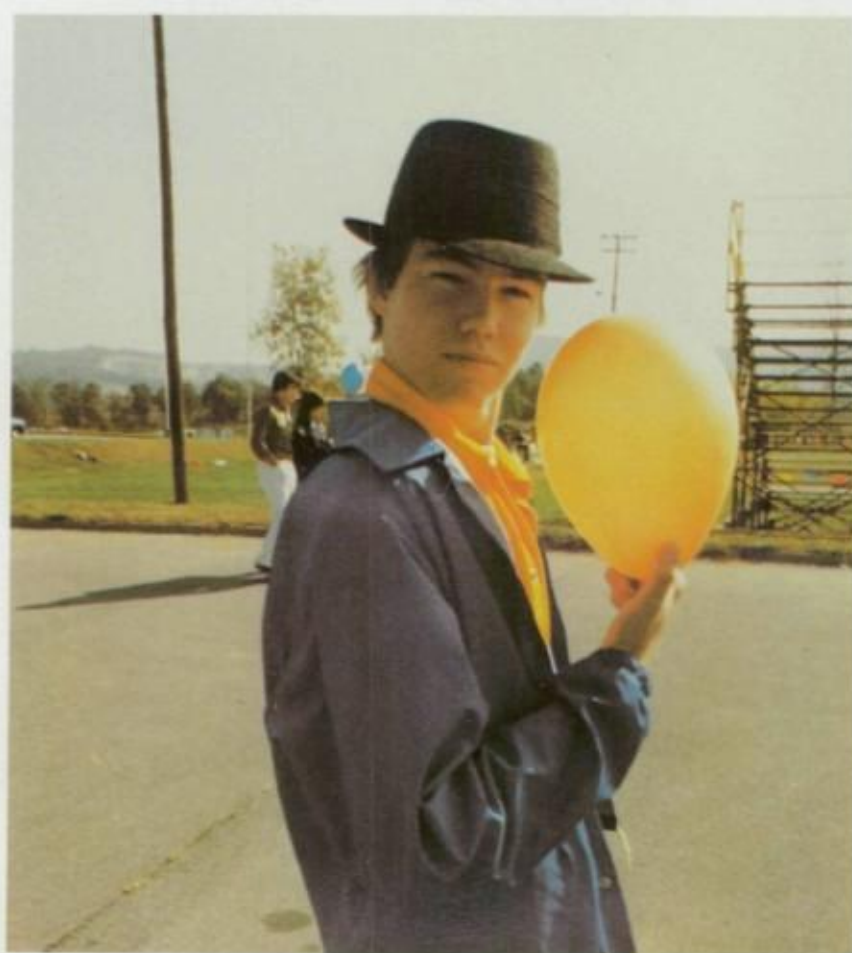

To like and dislike the same things is indeed true friendship

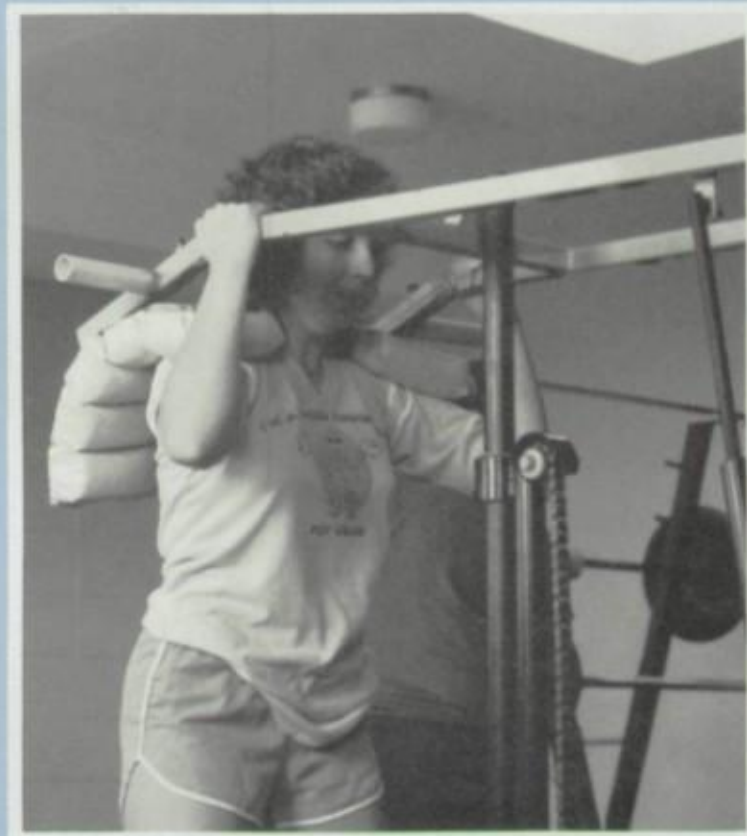

Only the pictures will tell . . .

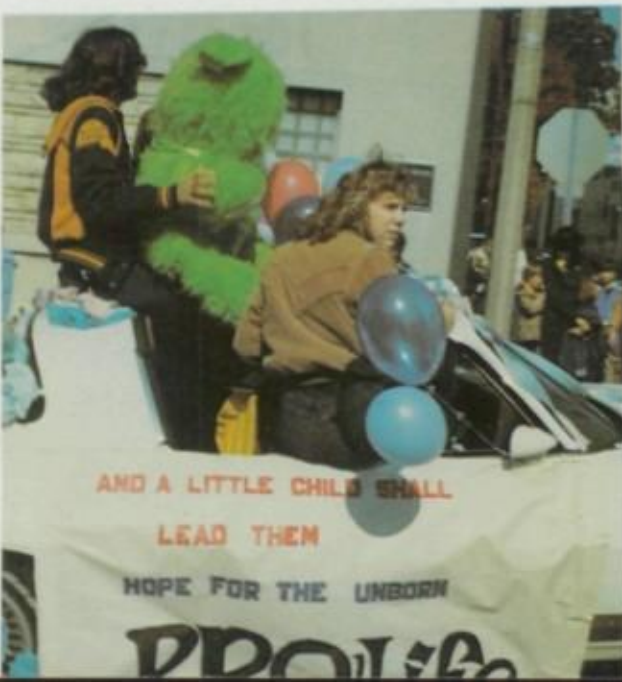

To Michelle  
I hope you  
have a great  
school year  
Deepse  
Schmitt

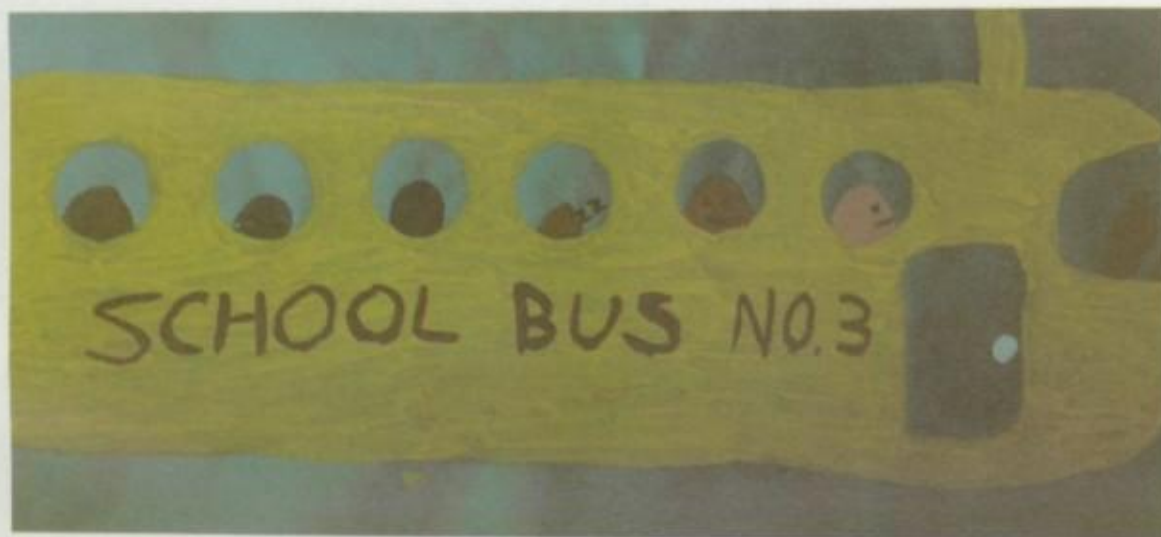

# HOMECOMING

WE ARE ALL MOLDED AND REMOLDED BY THOSE WHO HAVE LOVED US, AND THOUGH THAT LOVE MAY PASS WE REMAIN NONETHELESS, THEIR WORK.

NO LOVE, NO FRIENDSHIP, CAN EVER CROSS THE PATH OF OUR DESTINY WITHOUT LEAVING SOME MARK UPON IT FOREVER.

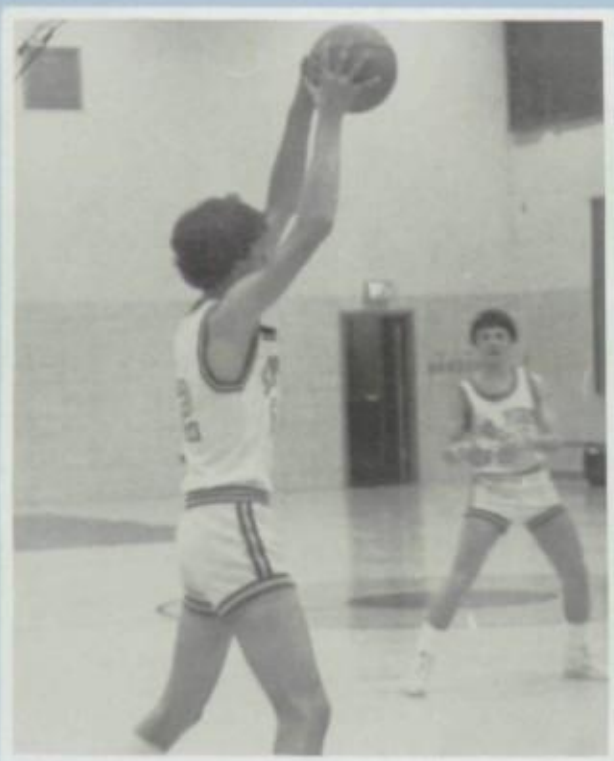

## Being Active

Friendship — the key to all questions

# FOOTBALL

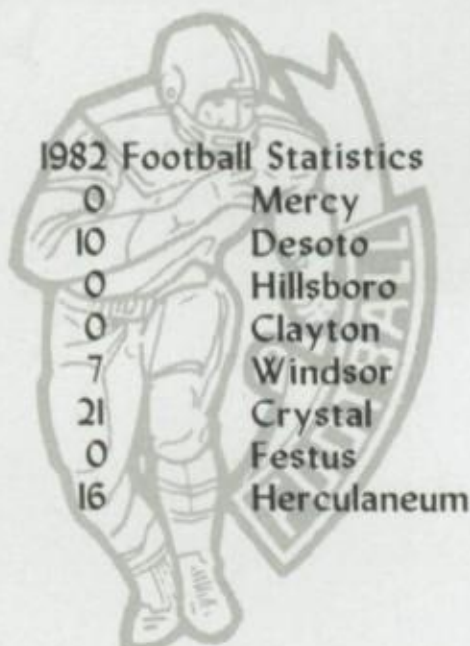

The 1982 Lancers seemed to have an unsuccessful season record-wise, but deep-down it was a very successful season for all three teams. With the new methods of Mr. Chuck Coker, the players developed a new sense of spirit. The desire and will to win was present, but they came up short in poise and points.

The football program at St. Pius is on a new beginning. In the past our teams were taken lightly, but now the teams are looked at in new perspectives. We can expect an exciting and successful season for our future teams.
